

Dedicate Courthouse Complex On April 11

The formal dedication of the entire Lake County Courthouse Complex will be held at 2 p.m., Saturday, April 11. In conjunction with the ceremony, an open house will be conducted in all three buildings comprising the complex, including administrative tower, courts, and jail. Hours on Saturday, April 11, will be from 2:30 to 5 p.m.; on Sunday, April 12, from 10 a.m. to 5 p.m.

In making the announcement, County Board Chairman Robert W. Depke said the public is not only invited but urged to attend the dedication. This will be the first opportunity for the general public to view the jail and recently completed courts building.

Officials from the federal to local levels of government will take part in the dedication, with entertainment provided by the Blue Jacket Choir from Great Lakes Naval Training Center and the State Championship Warren Township High School Band. A concert featuring the Warren Band will precede the ceremony, starting at 1:30 p.m.

Work on the new county buildings began in the spring of 1965, under the supervision of the Public Building Commission. The \$11.5 million complex was constructed in three stages over the five year period, with the courts section the last phase. Judges, bailiffs, court reporters, the circuit clerk and probation departments are expected to be moving into the nearly completed courthouse this week. As a result of these moves, several departments will eventually be assigned new quarters in the administration building.

The new complex is located on the same plot of ground originally purchased by the first county commission in 1841. This is Lake County's third courthouse. The first burned in 1875; the second, erected in 1878 with several additions made over the years, was demolished in 1967 to make room for the present courts building.

Even though only 23 per cent of Lake County's registered voters went to the polls March 17, the returns were not as fast as had been anticipated.

Data Processing Director Dwight Magalis said a combination of bent or mutilated ballot cards plus some minor troubles with the computer reader caused the delays. However, though several hundred steps had to be made the final tally was in five hours and fifteen minutes after the polls closed. Magalis says some method of preventing cards from being bent in ballot boxes will be investigated in order to circumvent similar problems in future elections.

A total of 34,797 voters out of 149,741 registered cast ballots in Tuesday's primary. Of that figure 30,152 were Republican ballots compared to 4,645 Democrat. Before the election County Clerk Truman Gerretsen had predicted a turnout of about 35,000.

In contested races on the Republican ticket, County Board Chairman Robert Depke lost in his bid for the treasurer's nomination to long-time Deputy Treas-

urer Robert Skidmore. Coroner Orville (Pat) Clavey easily won the nomination for sheriff over three other candidates. Clavey's closest rival, former sheriff Charles Larson by a margin of 11,398 votes. James Flood won the nomination for superintendent of the educational service region over Lester Hartman 16,237 to 10,559. Flood has been an assistant to County Superintendent W. C. Petty for the past six years. There were no primary contests

for county office among Democrats who are challenging the Republican nominees in the November general election.

Lake County government offices and the courts will be closed March 27 in observance of Good Friday. All county offices will re-open for normal business on Monday, March 30, following the Easter weekend.

Lake County's township assess-

ors are beginning work on 1970 real estate and personal property assessments. In many townships personal property schedules are mailed to residents.

This year a new law permits an exemption of one household of furniture used for personal living purposes of the owner of his residence and one automobile used for personal pleasure per household.

The assessors point out that failure to file the exemption form

makes individuals liable for full payment of personal property taxes. Assessments made this spring will be billed in the tax mailing of 1971.

Further, it should be understood that a son or daughter living at home and owning a car may not be exempted, if the parent executed an exemption declaration for his car. Also, two or more individuals owning a car or cars living together sharing the privi-

VOL. LXXXIV, NUMBER 40

Art Show Entries Hit 500

Lake County's Twelfth Annual Town and Country Amateur Art Show will be held in the Farm Bureau Auditorium on the Lake County Fairgrounds, Tuesday and Wednesday, March 31 and April 1. The exhibits will be open to the public, without charge, from 1:00 p.m. to 10:00 p.m. March 31 and from 9:00 a.m. to 9:00 p.m. April 1, according to Ray T. Nicholas and Helen Volk, Lake County Extension Advisers.

A special feature of the first day of the show will be the critiques to be presented at 2:00 in the afternoon and 7:30 in the evening. These critiques will be presented by John D. McNeely, professor of History of Architecture and Art, of the University of Illinois at Chicago Circle Campus. Visitors to the show will have an opportunity to view the best work of the Amateur Artists in Lake County. Exhibits include paintings in all media, metal enameling, weaving, sculpture, photography, carving, ceramic, collage, lapidary, jewelry, mosaic, welding, stichery, and other.

According to present information, it appears that this will be the largest Town and Country Art Show ever held. More than 500 entries are expected in the show, according to the Extension Advisers.

Don Larsen, from left, Frank Rojek, Steve Patwell, Jerry Smouse, Tom Williams surround Teri Lisk in a scene from the Antioch High School production of 'The Boy Friend' to be presented April 3 and 4 in the school auditorium.

Conolly Named To NEAP Group

State Representative John H. Conolly of Waukegan, Illinois has been appointed to the Advisory Committee of the National Assessment of Educational Progress, the first nationwide attempt to gather census-like information describing the educational attainments of groups of Americans. In

his message to the Congress of March 3rd on elementary and secondary education President Nixon referred to the National Assessment program as a hopeful new means of measuring the education system of the nation. Representative Conolly attended

(Continued on page seven)

Cancer Checkup Is Urged

Can a person help protect himself against cancer? The American Cancer Society will answer YES through its annual educational and fund-raising Crusade beginning April 5th. "We'll be asking people in Antioch to 'fight cancer with a checkup and a check,'" explained Dr. Frederic A. Giere, Lake County Residential Chairman of the American Cancer Society. "The slogan is a familiar one, but the 1970 April Crusade will have an additional message, specific information on cancer safeguards, such as, the Pap test for early detection of uterine cancer and the procto examination for one of the most common forms of cancer, bowel cancer."

As announced by Dr. Giere at the Residential Crusade Kickoff held at the Brae Loch Country Club Wednesday evening, Mrs. William Brook Rte. 21 Antioch, will lead the Crusade in Antioch, and will be assisted by the following area captains:

Drama students from Mundelein High School presented at the Kickoff the play "Leave It To Laurie", a play which outlines the influences and pressures brought to bear on young people regarding cigarettes.

Three File For Two School Posts

On March 20, the closing date for filing petitions of candidacy for the Grass Lake School Board of Education, found three candidates running for the two board vacancies:

William Belz, Mrs. Marilyn Haling, and Roman Vos Jr. have expressed intentions of serving as representatives of their community on the School Board.

District 36 voters are reminded that the election will be held April 11, 1970 at the Grass Lake School.

Post Office Swamped

The Antioch Post Office requests that residents of the area do not call the office to check if there is mail delivery.

The post office has been swamped by callers inquiring about the postal strike. Ron Yates, president of Local 4817, National Association of Letter Carriers has assured Postmaster Robert Carter that all mail arriving in Antioch will be delivered and that city and rural carriers will continue to deliver until a national postal strike is declared.

Yates said that with such little mail arriving in Antioch many persons will not be receiving their usual amount of mail and perhaps none at all.

However, this does not mean that there was no mail delivered.

Day Seeks CLC Board Position

Dr. Lawrence C. Day, Libertyville physician and education lay leader, will seek his first full term on the Board of Trustees of the College of Lake County in the April 11 election. Dr. Day has been a member of the Board since it was formed in December 1967.

Dr. Day's association with county education has spanned much of his 23 years in Libertyville practice. He was a member

ber of the Board of Education of Libertyville - Mundelein Consolidated High School District from 1958 to the separation of that district in the early 1960's, and served as its president for two years. Until his election to the College Board in the county-wide election, Dr. Day's role continued as a lay adviser. He was chairman of a steering committee which subsequently formed the successful Libertyville High School Caucus in 1966.

As a member of the CLC Board, one of Dr. Day's most formidable roles has been as Chairman of the College Site Committee. In this post, he was charged with seeking out and securing a suitable site for the permanent campus.

In addition to private practice Dr. Day is President of the Board of Directors of the Lake County TB Sanatorium, former president of the Condell Memorial Hospital Medical Staff; and the Lake County Academy of General Practice. He is also a member of the VFW and Libertyville Chamber of Commerce.

MYF Will Sponsor Services

The United Methodist Youth Fellowship, U-MYF, of the United Methodist Church of Antioch will sponsor its annual Easter Sunrise Service and Continental Breakfast again this year.

The service will be held at the United Methodist Church at 848 Main Street at 6 a.m. Easter morning.

A very special invitation goes out to the community to attend. The service will be held at the Church school classes from sixth grade through High School taking an active part.

The Sunrise Service will have a new "mod" look and sound which is so reflective of the newness and vitality that is both youth and spring.

You and your family will see and hear this newness when you join the U-MYF and the Church School of the United Methodist Church on Easter morning.

We've even set up a nursery for the very little ones who are still too young to worship with us on this Glorious Day.

Sermonettes to be delivered by teens are entitled: "All This for Thee... The Attraction That Repels, and Cop Out."

Vietnam Parcels Readied

Chet Golonka of the Antioch Post Office said today that packages were sent out Monday to our boys in Vietnam, hopeful that they will arrive in time for Easter.

The EYO group of St. Ignatius Episcopal church helped to pack the 35 parcels containing colored eggs, fruit cocktail, cigars, hard candies, chewing gum, pens, toothbrushes, combs and pocket books.

Those who helped pack included Kathy Mallory, president of the group, Jill Fischer, vice president, Sandy Siegel, secretary, Roxanne Vestal, Linda Borak, Denise Golonka, Marilyn Vestal, Kathy Cerk, Cheryl Golonka and Judy Siegel.

Science Fair Winners Named At Antioch High

Antioch Community High School hosted its 13th annual Science Fair on Wednesday, March 18. Gil Krahn, sponsor of the Fair, Miss Kathryn Chase, president of the Bi-Phi-Chem Club, and Bryan Sorenson, chairman of the Fair, were responsible for judging assignments, student assignments, and refreshments.

Six Antioch High School students entered the fair. Winners of the outstanding award were: James McDowell, Gary Soland, Brian Pedersen, and Stephen Ratwell. A first place award went to Nicolette Madaber. Chris Taylor received a second place award.

Outstanding awards went to four Antioch Grade School students, Randy Roberts, Steve Stahmer, Linda Kasik, and Jody Patrovsky.

First place award went to Glen Costoff, Art Meyer, Sheryl Robin, Dee Dee Molnick, Sue Rigby, Penny Anderson, Bill Molinarolo, Jay Rau, Terry Lear, Ricky Smouse, Mark Andrews, Wendy

Laursen, Lee Wolff, Sedonna Lubkoman, Kathy Toft, James Parker, Gary Reckers, and Debbie Stowe.

Second place winners were: Kevin Hauser, Russ Albano, Mike Witt, Sue Plett, Janet Lubkeman, Debbie Willett, James Kelley, Art Murray, Jim Kuenhold, Mike Bevar, Sue Walsh, Ed Kotrba, Pat Mehlforn, Bill Hogan, David Gajdosik, Basil Stefanski, Ron Taubitz, Don Burdick, Gerry Hannum, Bob Kumpfer, Tom Poernich, Lynn Rosenbrock, Donna Yucus, Vicki Plotz, Jeff Wix, Judd Smith, Phill Hermano, Kurt Horvath, Rudy Minger, John Mehlforn, Debbie Cannon, Sue Jensen, Teresa Schleusener, Kim Kuenhold, and Dave Rush.

Third place went to: Rick Kandy, Jan Vos, Bruce Tossey, Darla LaFlamme, and Sharon Sankey, Diana Rentner, Julie Ellis, Lisa Fries, Cindy Francke, Mike Wilson, and Eric Knutsen, Bill Simonsen, Kim Barlow, Bill Peters, Sharon Diemer, Cindy Plotz, and Rosemary Scheska.

Three Prince of Peace students were awarded thirds: Mary Ann Krewer, Suzanne Krewer, and Terry James.

William Beese, a Grass Lake student, was awarded an outstanding.

First place awards went to Carl Reichenbach, Brad Partlow and Steve Guadri, Kim Bye and Sandy Kiemle, Blair Fire, Sherry Bussaher, and Lori Haling, and Connie Krantz.

Second place winners were: Larry Lloyd, Kathy Cerk, Bob Bailey and Ed Mizar, Terry Gardien and Ken Cerk, Penny Babe and Tina Spurlock, Glen Larson, Steve J. Albright, and Chuck Smith.

Third place winners included: Roy Morrison, Barbara Bailey, Randy Shute, Carlette Merles, Kay Jasinevicius, Lauren Pogose, Janet Layton, Larry Yopp, Debbie Dean and Debbie Haling, Larry Lass and Rich Peeter, Ron Payton and Darrell Quirk, Harry Zoll, Bill Davis, David Kelly,

A Needed Change

We have a puzzler that we would like to put to the Constitutional Convention.

It came in the primary election which saw Mrs. Helen Burke, who was deceased, running for the Republican representative committeeman post.

Now we will grant that when the ballot was drawn up, Mrs. Burke—who was a grand person and had the respect of everyone—was alive.

But, once deceased we believe that her name should have been stricken from the rolls for the post she had sought and so ably carried out in the past.

It seems to us that it would have been the easiest thing in the world to place a piece of adhesive across the name so as to eliminate that vote.

There were a good number of write-in candidates for that post vacated by her death. But they failed to come any way near the vote rolled up by Mrs. Burke.

We feel that the nearest write-in candidate should have had the post. But now it must go to the central-committee of the Republican Party for action.

We think this is unfair.

We think the law should be changed.

Con-con delegates take note.

A Low Blow

The Illinois Supreme Court—it seems to us—went out of its way to sink the Illinois road program of \$2 billion proposed by Gov. Richard B. Ogilvie.

The court, in all of its wisdom—and we question this at times—ruled that the bond issue, which would have improved the state's dilapidated highways, is unconstitutional.

We are at a loss to figure out why the court would do such a thing.

We are pretty ignorant in matters of law, and we are the first to admit it, but the program was to be paid for by revenue from the users of the highway—you and I.

We were overjoyed when we heard that such roads as Rte. 83, Rte. 173, Rte. 59 were to be improved under the program.

We are at a loss when we hear that these plans might have to go by the boards because some judge in Springfield didn't like the setup.

It would seem to us that the highest court in the state would bend over backwards—in our direction for a change—when something good like highway improvement comes along.

It would seem to us that the highest court in the state would want to improve the roads so that traffic fatalities, ever on the increase here, would be cut down.

Maybe we expect too much from our learned jurists.

Maybe we expect them to temper the law just a bit with common sense.

But then, we are ever the optimist.

High School Choir Rated Superior

The Antioch Community High School A-Cappella Choir received a Superior rating in the State music contest held at Wheeling High School, March 14, 1970. The 83 voice A-Cappella Choir made history for Antioch Community

High School, in that this is the first time a mixed chorus from Antioch has received a Superior rating in State Contest.

The 83-voice choir received all Superior ratings in their performance. We at Antioch High School are extremely proud of these young men and women.

April 3 is set for the choir to sing at several of the area elementary schools including Antioch Grade School, Oakland Grade School, and Lake Villa Intermediate School.

Letters to the Editor

To Whom It may concern

I would like to take this opportunity to thank everyone involved in "Project Vietnam" for sending the boxes of candy and useful items for the past 15 months. It's been a long tour, a long way from home, but your thoughtful gestures always seemed to shorten the distance. Now I'm happy to say that in 2 short weeks it all will be over. Once again thank you very much.

Sincerely yours,
Del Church

Antioch, Ill.,
March 20, 1970

Gentlemen:

Regarding the firing of Mr. Whitacre by the school board, I wish to voice my opinion.

(1) Mr. Whitacre, more than 30 years of service must have been beyond reproach, or he would have been fired years ago.

(2) Does Mr. Maplethorpe have personal grievances toward Mr. Whitacre since he proposed the termination of Mr. Whitacre's contract. The same could happen to Mr. Maplethorpe, as fire chief when his contract expires, that is something for him to think about.

(3) Does Mr. Harland know that he won't reach age 65, is that why he is such a stickler about school board policy on retirement at age 65 or is it also personal grievances. I understand Channel Lake School had to be bailed out by Antioch school for reasons Mr. Harland is aware of.

(4) The Whitacre opponents want a new superintendent to implement the extended curriculum to be introduced this fall at the new school, when taxes are raised for this experiment they will be the first to cry the loudest. In my opinion Mr. Whitacre is a tried and true man before spending taxpayers' money to make an experiment.

I think it is dirty politics since there were more votes for Mr. Whitacre than against him.

A. H.

Dear Editor:

A most sincere thank you for your help in calling attention to United Cerebral Palsy's annual fund-raising appeal, the "53-Minute March," which took place on Sunday, January 11.

With the campaign nearing completion I, the Area Chairman of Lake Villa, would like to report to you, your readers who gave so generously, and the many volunteers who worked diligently to make it possible, that the drive was a success. Thank you all.

The funds collected here in Lake Villa amounted to \$665.00 and this money will be used to support United Cerebral Palsy's programs which include a Child Developmental Center—a school serving 90 youngsters daily; six summer day camps—serving 152 children; four adult clubs—serving 130 men and women; and a

ALONG THE WAY with Annie Mae

WEEKEND HOME

Jan and Bill Anderson spent the weekend in Sheboygan to be on hand for Jan's sister's confirmation.

HOME AGAIN

Bill and Janet Brook and Ted and Joan Larson are back from their vacation in Mexico looking healthy and happy with their marvelous tans.

Margaret Gaston returned home this week looking wonderful after a fine vacation in Florida. She reports that Ruth Gaston is well on the way to full recovery after her recent surgery.

SNOW FOLLOWERS

Wonder if the group from Antioch is still able to follow the snow north for their continued fun for snowmobiling on the weekends?

NEWLY WEDS

Fred Stahmer, Sr. and his new bride are in Antioch after their recent return from Florida.

SMALL WORLD

It seems that news travels faster and farther than some people would ever think. While in Florida recently it happened that a certain pair from Antioch was mentioned as being seen in a Mundein drug store. For your information I did hear about it and just had to mention it in this column.

KEEP 'EM GUESSING

That handsome young man who was the topic of conversation at the beauty shops last week. His

family counseling service.

The number of volunteers who participated here in Lake Villa was 140.

Mrs. Arthur Deutsch
7827 Westwood Place, Gurnee
(Lake Villa Chairman)

secret is still safe. There's been a lot of great guessing but nobody knows for sure.

IT'S A BOY

Jean and Russell Homan have another grandson, James Michael born Tuesday. The proud parents are Ellen and Charles Bariler of Evanston. They have another son three and a half years old.

COTILLION '70

The Antioch Mental Health Auxiliary members are all busy with their plans for the Cotillion '70. Plans are in the making for this to be the most successful one yet. Better reserve the date—April 18—so you won't be left out of this gala affair.

BACK FROM CALIF.

Ollie Burke has returned from California after spending the winter there. It is good to see all these people who are returning from other climates looking so healthy from the sunshine.

Just around the corner,
ANNIE MAE

Dedicate Courthouse

(Continued from page one)
leges and duties of a household may claim exemption for only one car, but a choice of which car is permitted. Boats, summer homes in Lake County, or other personal property not covered by the exemption law will be assessed for 1970.

Should questions arise pertaining to the exemption form residents may obtain assistance by calling their township assessor's office.

County Civil Defense Director Richard Willer is inviting all mayors, police and fire chiefs, along with civil defense directors around the county to a special meeting Thursday, April 2, on

tornado safety. The session will begin at 8 p.m. in the Farm Bureau building, Routes 45 and 120 east of Grayslake.

In a letter to all chiefs of police, mayors and city managers, the Lake County Law Enforcement Assistance Planning Committee is seeking reaction to a proposed police training program. Committee Chairman, Judge Harry D. Strouse, Jr., said the group realizes that many departments can not spare an officer full time for the four to six weeks necessary to complete present training program being offered. Therefore, the committee is trying to develop a program on a part-time basis to be accomplished over a longer period, and without expense to the department. Judge Strouse urged chiefs and municipal officials interested in such a program to contact John Hayes, project director for the committee.

Strouse also noted that it appears funds have been approved by the Illinois Law Enforcement Commission to departments requesting management surveys. He asked chiefs who receive official notification to advise Hayes immediately so that surveys can be scheduled. Hayes will be in Springfield March 24-25 attending an ILEC planning directors seminar. Subjects include: "Crime Prevention and Control in Illinois—A Strategy for 1970," Project Action Now, and "Evaluations of Regional Efforts."

A reception for 45 new citizens who took the oath of allegiance Thursday in the County Administration building was held Tuesday evening, March 24, at the American Legion Post Home in Waukegan. At that time certificates of naturalization were presented.

Associate Circuit Judge Lloyd A. Van Deusen presided at Thursday's ceremony in which candi-

Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q) What records should you keep when you are claiming someone as a dependent?

A) Your records should indicate the total cost of the dependent's support and the amount that you provided. Also, you would have to show whether the dependent meets the other dependency tests.

Q) Can anyone use the envelope in the tax form package or just those expecting a refund?

A) The envelope is provided for your convenience and should be used whether you are expecting a refund or not.

There is a mistake on the label that came with my tax package. How should I correct it?

A) Make a correction in name and address on the label itself. If the Social Security number is wrong, cross out the number, on the label and enter the correct number in the box provided at the top of the form.

Put the corrected label on the return you file so that your return will be properly identified and the needed correction can be made in IRS records.

Q) I need a car for use on my job. How do I handle the expenses for tax purposes?

A) You may either deduct your actual operating expenses for the business use of the car or 10 cents for every mile of actual business use up to 15,000 miles. Mileage over 15,000 may be deducted at 7 cents a mile. Tolls, parking and similar expenses may be added to the mileage deduction.

If you use the actual expense method, you may include depreciation, gas and oil, insurance, repairs and other operating costs. However, if you use the same car for business and personal travel, you must apportion the operating expenses. For example on a car used half for business, just half the operating expenses may be deducted.

Q) I'm all set to file my return but my W-2 hasn't come yet. What should I do?

A) Wait until your W-2 arrives. The law requires employers to issue tax withholding statements

to employees by January 31 so you should receive the statement shortly.

If you don't get your W-2 statement by the end of January, ask your employer about it.

Q) I used Schedule T to figure out my tax. Do I have to send it in with my 1040?

A) Most taxpayers do not have to send in the Schedule T with their tax returns. However, if you are subject to self-employment tax or claim retirement tax, or claim retirement income credit, investment credit or foreign tax credit, you will have to file Schedule T with your return.

Q) What is the filing deadline for farmers who did not send an estimated tax return?

A) Under the Tax Reform Act of 1969, farmers now have until March 1 to file their return and avoid penalties for not making estimated tax declarations. This gives farmers two weeks more than they previously had to gather their records and prepare their return.

Q) I will be sending in my tax return under my married name this year. Do I need a new Social Security number or anything else because of the change?

A) No, your number remains the same. However, make note of the change right under the address section on the front page of the Form 1040 you file. Enter here the name and address appearing on your 1968 tax return. If you haven't already done so, give the local office of the Social Security Administration your new name and address.

Q) I bought Christmas cards from my church. Can I deduct what they cost as a charitable contribution on my tax return?

A) Unless you contributed an additional amount to your church over and above what the cards ordinarily cost, no deductions may be taken.

The rule in this case is that charitable deductions are allowed when the amount of the purchase price exceeds the fair market value of the item received in exchange. Compare the cost of

the cards to that of other cards of a similar nature to see if you have a contribution deduction.

Q) When you inherit stock and then sell it, do you have to pay tax on the proceeds?

A) Your cost basis for the stock is its value at the date of death of the decedent from whom you inherited it. If you receive more than this basis on a sale, the gain is reported as a capital gain. If you receive less, the loss is reported as capital loss.

Q) Where can I get a copy of the form needed to claim moving expenses?

A) This form may be obtained from your local IRS office. Ask for Form 3903.

Q) Is interest from U.S. Savings Bonds taxable?

A) Yes, this interest income is taxable and can either be reported each year as it is earned or all at once when the bonds are redeemed or when they mature. If you elect the yearly method of reporting, you must continue with it on all future bond purchases until you obtain permission from the IRS to change the method of reporting.

The interest from savings bonds should be added to your interest income from other sources and entered on line 13 of Form 1040. If the amount is \$100 or less, only this total need be entered.

When interest income is over \$100, the amounts and the source must be reported on Schedule B. This schedule should be attached to your Form 1040.

Q) A check I wrote in December to a charity was not cashed until this January. Does this mean I can't deduct it on my 1969 return?

A) You may take the deduction in the year you wrote and mailed the check.

Q) I kept a record of my earnings and withholdings for the year and am all set to file my return. Do I have to wait until I get my W-2?

A) Yes, one copy of all W-2's must be attached to your return when you send it in. Processing of the returns and refunds are delayed if this is not done. You should receive your W-2 no later than February 2.

Note that this year, the W-2 should be stapled to the back of Form 1040 rather than the front.

Q) Is there any change in who has to file a return for 1969?

A) Filing requirements for 1969 Federal income tax returns are unchanged from last year.

To summarize them, a return must be filed by every person under 65 who had gross income of \$600 or more for the year. For those 65 or older on the last day of the tax year, a return does not have to be filed until gross income reaches \$1,200.

Also anyone who has net earnings of \$400 or more from self-employment, is required to file a return and pay self-employment tax.

Filing requirements also apply to minors. A parent or guardian should file a return on behalf of a child who has gross income of \$600 or more during the tax year. In every case you must file a return to get any refund due.

Q) I'm a senior at college and I'm due a tax refund on some part-time work I did. Can I claim my own exemption without causing my father to lose the exemption he claims for me?

A) Yes, if you were a full-time student during some part of five months of the year, you can claim your own exemption and your father will not lose you as an exemption, so long as the necessary dependency tests are met. In this situation, the same exemption can be claimed on two returns, yours and your parent's.

Q) What taxes can I deduct?

A) If you itemize deductions, state and local income, sales, gasoline, personal property and real estate taxes may be deducted. These should be listed on Schedule A Itemized Deductions, and attached to your Form 1040.

Those who itemize will find that using the new Schedule A provides more room to list things such as medical expenses and charitable contributions than was available on the back of the old Form 1040.

Q) Where can I get a copy of your tax guide?

A) A copy of Your Federal Income Tax 1970 edition may be purchased from most IRS offices for 60 cents. You may also obtain this publication by using the order form on the inside cover of the 1040 tax form package. Send a check or money order with the order blank to the Superintendent of Documents, Washington, D.C. 20402.

Q) Other than the fact that color makes the form look nicer is there any advantage in having red, white and blue tax forms?

A) It is expected that color will draw the taxpayer's attention to those areas on the tax form where errors are made which lead to

delays in processing returns and issuing refunds. The instructions for using the pre-addressed name label and signing the return, for example, are highlighted in red. Common reasons for delays in processing returns and issuing refunds are a missing or inaccurate Social Security number or an illegible name or address. When a return is filed using the label showing the taxpayer's correct name, address and Social Security number, this cause for delay is removed.

Q) I'm paying back a loan I took to cover the costs of my daughter's college education. Is this deductible?

A) You may deduct the interest portion of your loan payments if you itemize deductions. If you are not sure how much of your loan payment represents interest, check with the bank or other institution that made the loan. They should be able to tell you.

Q) What is the maximum Social Security tax for 1969? I think I paid too much since I held two jobs last year.

A) If you worked for two or more employers and more than \$374.40 was withheld from your wages last year for Social Security taxes, then the excess can be claimed as a credit on line 20 of your income tax return. In cases where a person has only one employer during the year and more than \$374.40 was withheld for Social Security taxes, the excess cannot be claimed as a credit on the return. The employer must adjust the overcollection with the employee.

Streamline Medicaid Payments

A pilot program to streamline the processing of Medicaid payments was announced with release by Gov. Richard B. Ogilvie of \$45,000 for the experiment. Ogilvie said the program "could have a tremendous impact upon the entire state and nationwide Medicaid system. It could save millions of dollars in administrative costs and ease the tremendous pressures now crippling the system."

According to Illinois public aid officials the test, scheduled to begin in early 1971 in Sangamon County, is the first of its kind. The project will allow immediate payment to physicians, druggists and others who provide medical service to public aid recipients.

Public Aid Director Harold O. Swank said the system would eventually eliminate invoice billing from physicians, druggists and other such providers. He explained that they would be given blank drafts to fill out and deposit in their bank accounts. The drafts could not be drawn on until cleared by the department's eligibility computer files. The department would thus determine, he added, whether the recipient was eligible to receive the services, that the dollar amounts were authorized, and that the provider and services were authorized.

Antioch Students Set Play

On Friday and Saturday, April 3 and 4, the Antioch High School Fine Arts Department presents "The Boy Friend."

"The Boy Friend" is a musical comedy set in the Tittering Twenties in a girls' finishing school in France. In this marvelously funny play we see young love bloom, an old love revived, even parents reunited with their children. It's a wonderful parody on the old musical drama.

The show is directed by Mr. Ken Smouse and he is assisted by Avis Minger and Janet Polsgrove. The cast includes: Mary Wiczorek as Polly, Bryan Sorensen as Tony, Teri Lisk as Mandy, Tom Williams as Bobby, Debbie Chandler as Madame Dubonnet, and Bill Flannegan as Percival Browne.

Betty Waters and Tom Cramer play Lady and Lord Brockhurst, Ruthe Brooke is Hortense, Elda Minger as Dulcie, Sarah Halverson as Fay, Jean Oelrich as Nancy, Tracey Hudson and Shari Prange.

The boy friends include Don Larson, Mike Ament, and Steve Patwell as Marcel, Jerry Smouse as Pierre, and Frank Rojek as Alphonse.

The curtain goes up at 8:00 p.m. in the ACHS auditorium. Tickets are \$1.50 and 75c.

Social Notes

By Del Jahneke
Walter Miller of Channel Lake was pleasantly surprised on his birthday Saturday, March 21, when his wife Loretta, and children, the Charles Millers, Robert Langosch family, and the Ken Miller family held a "surprise" dinner party for him. Many happy returns!

Sorry to report that Mrs. Anton Johnson, Channel Lake, had to return to Victory Memorial Hospital for an indefinite stay. She is wished a speedy recovery.

PTA Sels Meeting On State Aid

The PTA's of Antioch School District No. 34 will host a meeting on State Aid to Private Schools on Monday, April 6, at 8:00 p.m. The meeting will be held at the Oakland Grade School Building at Deep Lake and Grass Lake Roads.

Rev. Virgil Kraft, Regional Director of Americans United for Separation of Church and State and Mr. John Matijevich, State Representative from North Chicago, will present both sides of this important issue. The PTA's of the district urge everyone to come and listen to Rev. Kraft and Mr. Matijevich present the facts on State Aid to Private Schools.

It is getting so hard for a man to find a wife who will help him wash the dishes.

Legion Auxiliary

By DEL JAHNEKE
Some 800 women from throughout the state are expected to be in attendance at the 42nd Annual Patriotic Conference of the Illinois American Legion Auxiliary to be held on Tuesday, March 31st, at the Sherman Hotel in Chicago, with the morning session starting at 9:30 a.m. This session will be held in the Executive Ball Room, with Mrs. Charles Gill, Tintin Park, State President, conducting all sessions.

Heading a delegation of approximately 100 members of the 10th District Auxiliary, will be Mrs. John Mould, Wauconda, District President; Mrs. Al Dorn, Mundelein, District Americanism Chairman; Mrs. Norman Samkus, Lake Zurich, District Civil Defense Chairman; and Mrs. James Rathle, Round Lake, District National Security Chairman. Americanism and National Security, Civil Defense and Emergency Planning Programs will be stressed at this conference.

Representing the Antioch American Legion Auxiliary at the conference, will be Mrs. Ray Rathmann, President; Mrs. John W. Horan, National Security Chairman; and Mrs. Bernard De Vries. THE GOLDEN YEAR, the fiftieth Anniversary of the American Legion Auxiliary, will also be emphasized. The new 50 star Department American Flag will be dedicated by Department Commander Stan Kennedy, assisted by Jerome Irwin, Department Americanism Chairman of the Illinois American Legion.

Featured on the morning session will be Reverend Charles H. Willey, pastor of the First Christian Church of Moline, Illinois; well known for his ability to relate Americanism in action; and Mr. Paul R. Carlson, teacher from Park Ridge, Illinois. Mr. Carlson attended the "FOR AMERICA SEMINAR" at Freedom Foundations in Valley Forge, Pennsylvania; and was one of three teachers sponsored by the Illinois American Legion Auxiliary. He is an exceptionally dedicated and inspired teacher who is able to share his invaluable information gained from the seminar, with his students.

Special guest of honor will be Mrs. Raymond H. Lory, Trenton, Michigan; National Vice President of the Central Division. She will speak at the Conference Luncheon, at 12:30 p.m., in the Grand Ball Room, Sherman House. The entertainment will be provided by the Shavrin Unit Juniors who will present a patriotic medley of songs.

Included with Americanism and National Security, Civil Defense and Emergency Planning; will be a demonstration of first aid measures from the Home Study Course, available to all through local civil defense directors. Information on the teaching program of medical self help will be given by Mrs. John Sturgeon of the Illinois Department of Public Health, as related to the Civil Defense Program.

According to Mrs. Norman Samkus, District Civil Defense Chairman: "Civil Defense is not only an integral part of our Nation's total security, but has proved its importance during many natural disasters on the homefront. In any type of general disaster, lives can be saved if people are prepared for the emergency, and know what action to take when it occurs. In spite of the best preparations and efforts in this nuclear age, there is always the possibility of a nuclear attack. Three major dangers associated with nuclear attack are: blast, heat and radioactive fallout. The blast and heat could cause tremendous destruction, but the radio-active fallout is the most threatening" continues Mrs. Samkus. "It is vitally important for everyone to know the location of fallout shelters since they provide invaluable protection against the tiny radio active particles formed by the nuclear attack."

Holy Week, Easter At St. Stephen

On Maundy Thursday, March 26th, 8:00 p.m., there will be a Holy Week Communion Service at St. Stephen Lutheran Church, The Church On The Hill, Rte. 59 and Hillside Avenue, Antioch. Pastor Philip O. Laurin will preach on "The Nall of Infidelity" the last sermon in a series of Lenten Services.

Easter Sunday Festival Services will be at 8:00 and 9:30 a.m., with Pastor Laurin's sermon theme, "Dead or Alive: Does It Make A Difference?" Members and friends are invited to participate in worship, prayer and meditation at these Services — considered the most productive, fruitful and spiritual time of the Church Year.

Jr. Graduate Regent Shirley Gehris' green cap night.

Lakeside Rebekah Lodge No.82

Mrs. John Hagen, Noble Grand of the Lakeside Rebekah Lodge; Mrs. Clarence Larson, Mrs. Walter Buchert and Mrs. Charles Ferris, District No. 3 Vice President, attended the District Three meeting, held in the Rebekah Lodge of Waukegan, on March 13.

There were representatives from all seven Rebekah lodges in District No. 3, at the rehearsal for District Initiation, held in the Antioch American Legion Home on March 18. There were Rebekah members from lodges in Highland Park, Evanston, Barrington, Crystal Lake, Libertyville, Waukegan and Antioch present. Mrs. Mildred Black, past president of the Rebekah Assembly of Illinois, conducted the rehearsal.

The Lakeside Rebekah Lodge will hold Friends Night on Wednesday, April 1st, at 8:00 p.m. Members from all seven lodges in this district are invited guests. Mrs. Hagen will be the presiding officer.

Where The Boys Are

Navy Petty Officer Third Class, William C. Marshall, son of Mr. and Mrs. Clark Y. Marshall of Rte. 2, Salem, Wis., is serving aboard the guided missile destroyer USS Conyngham with the Sixth Fleet in the Mediterranean.

BEAUFORT, S. C., March 19—Marine Corporal Daniel T. Hansen, son of Mr. and Mrs. George Pecenkka of 604 Piper Lane, Lake Villa, is now serving with Headquarters and Maintenance Squadron 31 at Marine Corps Air Base, Beaufort, S. C.

Mrs. Samkus urges "Work with your local civil defense directors, take a Red Cross Course in medical self-help, and learn all the civil defense program." In Antioch, Past Commander, Antioch American Legion, Ed Frazier, is the civil defense director; and Mrs. Lester Zitkus is the Antioch Unit civil defense chairman.

Local Florist Joins Service

Mrs. Ila M. Lasco, owner of Lasco's Greenhouse, 965 South Main Street, Antioch, Illinois, was formally accepted today as a subscriber of Florafax Delivery, Inc., one of the world's largest flowers-by-wire organizations.

Affiliation with Florafax provides subscriber florists with a link to more than 7,500 fellow subscribers in all fifty states of the United States. In addition, Florafax provides coverage in South America and has signed a reciprocal agreement with a service in Canada which makes the facilities of 1,500 Canadian florists available to Florafax subscribers.

Not confined to the American continent, Florafax has reciprocal affiliations with overseas organizations providing outlets for more than thirty countries in Europe, Africa, Asia, Australia and the Scandinavian countries.

Bushnell To Tour With School Choir

David Bushnell, son of Mr. and Mrs. Warren Bushnell, 1604 N. Columbia Bay Dr., Lake Villa, is a member of the North Central College Choir, which will present concerts throughout northern Illinois and Wisconsin during the Spring Tour, March 25-April 5. Bushnell is a sophomore at the 109 year old, liberal arts college in Naperville.

The Choir is scheduled to perform in churches and high schools during its annual tour, in sixteen communities. A graduate of Antioch High School, Bushnell is a Music major at the United Methodist Church affiliated college located in west suburban Chicago.

Baptist Church Plans Crusade

An Evangelistic Crusade will be conducted at Calvary Baptist Church, 554 Parkway Ave., Antioch March 29 through April 5. Rev. Roy L. Hamilton from Hillsboro, Miss., will be the speaker each evening at 7:00 p.m. Special guests will be "The Highland Singers," from Oklahoma Baptist University, Shawnee, Okla.

"Tell It Like It Is" will be presented by the youth choir of the Lake County Association of S.B., directed by Roy Heyer, Tuesday evening, March 31. Everyone is cordially invited.

(Continued from page one)

ed the meeting of the Advisory Committee in Portland, Oregon March 18 and of the Steering Committee of the Education Commission of the States, the governing body of NAEP. ECS is composed of governors, legislators, Chief State School Officers and lay people involved with educational problems from forty-two states and territories.

Planning for National Assessment began in 1964 with funds from the Carnegie Corporation.

Subsequently, the Ford Foundation's Fund for the Advancement of Education and the U.S. Office of Education contributed funds. The project's major goals are to:

1. Gather and make available descriptive information about the educational attainments of groups of Americans at four age levels: 9, 13, 17 and young adults between ages 26 and 35 in ten subject areas.
2. Describe progress, or the lack of it, in educational attainments, by gathering information

over a period of years.

Data gathering for the project began in March of 1969, and was completed in Feb. of 1970. More than 100,000 people throughout the United States participated in the assessment of three subject areas—science, writing and citizenship. The second data gathering year will run from October 1970 to March 1971 and will cover two more subject areas, Dealing and Literature. The five remaining subjects—Art, Music, Mathematics, Social Studies and Career and Occupational Development, will be assessed during the next four years. Then a new cycle will begin so that each subject will be assessed at least once every six years.

Representative Conolly explained that National Assessment was begun when it was realized that although much information is available about inputs into education, such as cost per pupil, number of students enrolled, and size of classes, and about such outcomes as number of students graduating, and number going on to college—little information was available about the actual knowledge, skills, interests, and attitudes of groups of Americans. "It is expected that the National Assessment information will be useful to those concerned about education in making plans and decisions about such things as curricula and allocation of funds," he said.

Conolly is one of the twenty-eight members of the National Assessment Advisory Committee who represent education, politics, business and other groups concerned about problems of education. Its purpose is to discuss and advise NAEP staff about various aspects of the project.

Benes Wins Post As Committeeman

Frank J. Benes will take the place of Helen Burke as the Republican precinct committeeman from Antioch Township Pct. 4, final figures have disclosed.

Benes outpolled his opponent, Thomas Steiskal by a vote of 107 to 104. In all other precincts the incumbents were re-elected.

Mrs. Burke, who died prior to the election, ran third in the three post representative committee man race. Her successor will be named by the Republican Central Committee.

Miss American Teen-Ager Pageant Set

The 6th Annual Illinois State Finals of the Miss American Teen-Ager Pageant will be held this year at the Vagabond Inn in Rochelle on August 14th and 15th. This contest is open to all girls ages 13 through 17 and they will be judged for their scholastic achievement, civic contribution, poise, personality, and appearance. Applications are now being accepted and interested girls and obtain them by writing the Regional Headquarters at 126 Bunn Drive, Rockton, Ill. 61072.

This is neither a talent nor swimsuit contest, but the oldest and largest teenager pageant of its kind in the nation—now in its fifth year nationally, this being the 6th year that Illinois has participated. It is recognized by educators everywhere and cited in the Congressional Record for its outstanding contribution to our teen-age girls.

Miss Illinois Teen-Ager, 1969, was Rose Marie Klespitz from Aurora who then went on to win the National Title in New Jersey (Palisades Park) in September and is now Miss American Teen-Ager. Her 1st runner-up, Miss Gail Van Dee from Chicago of course took her place as Miss Illinois Teen-Ager.

So we urge all interested young ladies to write for their applications now!

Four Seek Grade School Post

Petitions have been turned in for four candidates for two spots on the Antioch Grade School Board of Education. The election is set for April 11.

Those running include Mrs. Joan Toft, John Heick, R. Wayne Polsgrove and Gerald Vander Meer. They are in the race for the full three-year terms.

Only one petition was filed for the one-year vacancy to be filled, that of Milo Bailey.

FUNERAL NOTICES

MR. MARVIN C. MULESKI
Mr. Marvin C. Muleski — 39 years old of 15 Franklin Street, Crystal Lake, Ill., passed away at 8:20 a.m. Thursday March 19th at his home. He was born Aug. 10, 1930 in Grayslake, Ill. and had resided at (Sunnyside near McHenry) for 9 years, before moving to Crystal Lake. He had managed A&P Grocery stores in McHenry, and Fox Lake, before moving to Crystal Lake 10 years ago. He was a member of the Crystal Lake Chamber of Commerce. He was preceded in death by 1 son Michael L. Muleski on Nov. 27, 1968.

Survivors are his wife Mary (Nee Gajewski) Muleski, 1 son Daniel, 3 daughters Linda, Lou Ann, and LaDonna (all at home), his mother Frieda Holdorf and step father Lloyd Holdorf (Trevor, Wis.), and 1 brother James L. Holdorf (Trevor, Wis.).

Funeral services were held at 10:30 a.m. Saturday at the Faith Evangelical Lutheran Church in Antioch. Rev. David Ponath of that church officiated. Interment was in Warren Cemetery.

MRS. DOROTHY J. WILSON
Mrs. Dorothy J. Wilson — 37 years old of Hwy. 59 and Beach Grove Road near Antioch passed away at 2:40 p.m. Thursday March 19th at McHenry Hospital. She was born on June 7, 1932 at Joliet, Ill. and had resided in Chicago, Park Ridge (8 years), Wauconda (8 years), Fox Lake (2 years) and in Antioch for past year. She was a member of the Island Lake Baptist Church. She married William G. Wilson on Jan. 6, 1950 in Chicago.

Survivors are her husband William G. Wilson, 1 daughter Bonnie Ann Wilson (at home), and 1 brother Warren Halley (Antioch). Funeral services were held at 1:30 p.m. Monday at the Strang Funeral Home in Antioch. Rev. Gilbert King of the Island Lake Baptist Church officiated. Interment was in Hillside Cemetery at Antioch.

Bar Association Publishes Booklet

Is it legal to teach evolution in a public school? Is it legal for a student to wear a black armband to protest the Vietnam War? These and other significant issues decided by the U. S. Supreme Court during 1968 and 1969 affecting the Bill of Rights are discussed in a new publication released March 7 by the Illinois State Bar Association.

The new publication is a "Pocket Part" of a booklet published two years ago entitled "Your Bill of Rights." The Pocket Part summarizes the latest Supreme Court cases and brings the earlier work up to date.

The Pocket Part is available free to anyone who has a copy of "Your Bill of Rights." Copies of "Your Bill of Rights" also are available free to the public. Requests should be addressed to Illinois State Bar Association, Illinois Bar Center, Springfield, Ill. 62701.

"Your Bill of Rights," a 110 page commercially printed booklet, was prepared by 14 Illinois lawyers. It was edited by Attorney Carole Kamin Bellows, Chicago, recording secretary of the American Bar Association's Section on Individual Rights and Responsibilities.

LOSE 10 LBS. IN 10 DAYS ON GRAPEFRUIT DIET

HOLLYWOOD, CALIF. (Special) — This is the revolutionary grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada.

Word of its success has spread like wildfire. Because this is the diet that really works. We have testimonials in our files reporting on the success of this diet. If you follow it exactly, you should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all there will be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly "forbidden," such as big steaks trimmed with fat, roasts or fried chicken, rich gravies, mayonnaise, lobster swimming in butter, bacon fat, sausages and scrambled eggs. You can eat until you are full until you cannot possibly eat any more. And still lose 10 pounds in the first ten days plus 1½ pounds every two days thereafter until your weight is down to normal. The secret behind this new "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this new diet acts as a catalyst (the "trigger"), to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and blood are gone you will cease to lose weight and your weight will remain constant. A copy of this new and startling successful diet plan can be obtained by sending \$2 to GRAPEFRUIT DIET PUBLISHERS, 1213 Premier Way, Calgary 6, Alberta. Money-back guarantee. If after trying the diet plan you have not lost 7 pounds in the first seven days, and 1½ every two days thereafter simply return the diet plan and your \$2 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim, attractive figure of your youth, while enjoying hearty breakfasts, lunches and dinner.

How long will an electric heating system last? The odds are—It'll last as long as the house.

You see—electric heating is for people who don't like replacing furnaces every ten or fifteen years. For people who like uncluttered basements. For people who like clean, even heat with precise comfort control.

O.K. all you people. Pick up your telephone and call our nearest office for more information on the one heating system that lasts for ages—it's electric.

Commonwealth Edison Company

The bright new ideas are Electric.

Racing Group Will Meet On Thursday

Members of the Interstates Racing Association of super-modifieds and sportsman stock cars will meet Thursday night March 28 at the VFW Hall in Lake Villa, Illinois.

Members will hear the news for plans for racing at the various tracks in the 1970 season. Already firm are plans for the club to promote racing at the Lake Geneva Raceway in much the same way they have operated at Wilmet for the past two years. This now gives the group two nights a week for each of the weeks throughout the summer. In addition, agreement has been reached for the supers to race at the Waukegan Speedway on six Friday nights throughout the summer. At least one Friday night date will find them in Rockford and discussions are underway for some Friday nights at Santa Fe Park Speedway in Chicago.

At this meeting, first reports of ticket sales for the group's 3rd Annual Spring Dance at the Wonder Bar in Twin Lakes, Wisconsin on Saturday night April 4, will be heard.

Al Davidson, President of IRA, has announced early reports are for a large turnout of fans to enjoy not only the rock-music dancing but the free racing movies as well.

Drivers Are In Violation

"Too many drivers using Lake County highways are driving with parking lights in violation of Illinois law," said Safety Commissioner Jerry Klebe, who warned today that violating drivers and bicyclists who fail to obey Illinois law will be cited.

The new law provides that drivers must use their headlights not only during the period from sunset to sunrise, but also during any other time when visibility is so limited as to require the use of lights for safety.

The state also requires that every bicycle ridden on a street or highway during the period of sunset to sunrise must be equipped with a lighted headlight and taillights.

Bike headlights must be visible for at least 500 feet and must be white, yellow or amber. The taillight must be red and must also be visible for 500 feet.

"Many drivers apparently still do not realize that the Illinois traffic laws prohibit the display of parking lights on a vehicle while it is being driven unless the driving lights are also turned on," Klebe stated, meaning that drivers may not use parking lights only during the twilight or early morning hours.

Drivers have been given warnings for violations of this nature as well as bike riders," Klebe stated. From now on, however, tickets will be issued to all violators.

Picture Telephone In 1970

Illinois Bell is one of nine Bell System operating companies planning to offer commercial Picturephone service during the 1970's.

According to a recent quarterly report from AT&T, parent company of the Bell System, the video phones will be introduced to two dozen major cities including Chicago by 1975. Local service will be established first. As customer needs expand, however, intercity connections will be developed.

"The Bell System," notes the AT&T report, "estimates that 500 to 1,000 Picturephone sets will be in service by the end of 1970, and expects to have a million sets in service by 1980."

A successful six-month trial has already been completed in New York and Pittsburgh. Next July commercial Picturephone service will be introduced within and between both cities.

Currently, limited Picturephone service is available from a booth at Illinois Bell's Chicago headquarters; connections terminate at booths in New York and Washington. And Chicago's Museum of Science and Industry maintains a Bell-sponsored Picturephone exhibit with connecting terminals in Disneyland and Philadelphia's Franklin Institute.

Local service rates for Picturephone are expected to average something over \$100 per month. Long distance rates will be higher than regular long distance charges because the new service requires considerably more circuits.

Businessmen have expressed a high degree of interest in Picturephone sets, particularly in such features as computer display which accommodates 400 characters of computer output on the viewing screen. Most initial demand for the service is expected from business customers although it is not solely a business offering.

Stock Car Racing On May 31

Full, Fast and fancy modified and sportsman stock car racing will return to the Lake Geneva Raceway in 1970 with a starting date of Sunday night May 31.

A contract signed this last week between Sturge Taggart, Manager of the Lake Geneva Raceway, and Al Davidson, newly elected President of Interstate Racing Association, will provide for the IRA sanctioned and promoted racing. In previous years, the modified stock cars have only sanctioned those races but will now promote the race function on a lease agreement from the Raceway.

Al Davidson said that car support should be at its highest because the Association now has a more personal interest in the racing events. IRA will be in its third year of modified stock car racing promotions at the Kenosha County Speedway in Wilmet and as such as paid purses and point fund money in excess of \$73,000.00.

Taggart, operating the Lake Geneva Raceway for the Leopard Corporation, a Texas promotion group of dragways, stated that his group had been impressed with the IRA organizations efforts at Wilmet and were looking forward to a financially successful season.

Taggart will be in charge of the late model and spectator stock racing on Saturday nights at Lake Geneva and the drag strip on Sunday afternoons.

NI-Gas Will Acquire New Gas Firm

Northern Illinois Gas Company and Commonwealth Edison Company have reached an agreement on a stock exchange plan that would result in the NI-Gas acquisition of Mid-Illinois Gas Company, now a wholly-owned Edison subsidiary.

The joint announcement was made Feb. 16 by Marvin Chandler, NI-Gas chairman, and J. Harris Ward, Commonwealth Edison chairman.

The proposed acquisition is subject to regulatory approval, and favorable Internal Revenue Service to more than 100,000 customers. Its service territory, which is adjacent to that of NI-Gas, covers approximately 3,000 square miles and is centered principally in the Rockford-Freepore and Lincoln-Tuscola areas. The company has annual revenues of more than \$24 million.

NI-Gas presently serves 1,053,000 customers in a 16,650 square-mile area in Illinois, and nearby Missouri. Its 1969 revenues amounted to more than \$280 million.

Under proposed terms, Commonwealth Edison shareholders would receive one share of Mid-Illinois common stock for each 30 shares of Commonwealth Edison common stock subject to possible minor adjustments. The Mid-Illinois shares would then be exchanged on a share-for-share basis for a new NI-Gas convertible preference stock with an annual dividend rate of \$1.90 per share. Each share of the preference stock would be immediately convertible into one share of NI-Gas common stock and would be callable after five years at \$42 per share. Mr. Ward pointed out that on Friday, Feb. 13, the closing New York Stock Exchange price per share for NI-Gas common stock was \$26.75 and the new preference stock would probably have a somewhat higher price than the common.

The proposal to acquire the Mid-Illinois properties will be brought before NI-Gas stockholders for approval. After all necessary tax rulings and regulatory approvals have been obtained, Mid-Illinois shareholders will also be asked for their approval.

If recently announced studies by NI-Gas result in the formation of a holding company prior to consummation of the acquisition, the exchange transaction would involve shares of the new holding company instead of those of NI-Gas.

Holders of the convertible preferred stock of Commonwealth Edison would not participate in the distribution of Mid-Illinois stock, but such holders would be notified well in advance of the record date for the distribution and would have ample opportunity to convert their preferred to common shares if they wish to participate.

High School Bowling Team Wins Tourney

Antioch Community High School's G.A.A. bowling team won the State High School G.A.A. bowling tournament for 1970.

Wendy Jensen, Betty O'Higgins, Sue Davidson, Kathy Mallory, and Kerry Shute were the team representing Antioch Community High School.

Their winning totals was 2410 pins, besting the efforts of 108 other Illinois high schools entered in the tourney.

Miss Jensen, daughter of Mr. and Mrs. Robert Jensen, 477 First St., Antioch, Illinois, had the individual high game of 209.

The school has received a letter of commendation from Ola Bundy, Assistant Executive Director of the Illinois High School Association and a trophy is forthcoming.

MYSTERY SOLVED

Countless millions of U.S. citizens can recall when, as children, their first act of the school day was to pledge allegiance to the American flag and to the nation for which it stands. Apparently, even this simple patriotic gesture, requiring a minimum sacrifice of comfort or time on the part of the youthful individual, is to be gradually eliminated as part of the educational process.

A press item from New York reports that as a result of two 12-year-old girls challenging the requirement of pledging allegiance to the flag, court action has led to a recommendation to principals of New York's 63 high schools that they suspend the practice. If the principals follow the recommendation, it will mean that about 240,000 New York High School students will no longer be asked or required to stand up and commit themselves to the responsibility of supporting the flag of their nation. Instances like this should clear up the mystery of why lawlessness and lack of respect for persons or property is swamping court dockets and overwhelming police and law enforcement agencies.

Dog Show To Feature Racing

CHICAGO — Showing styling of fancy canine labeled with equally fancy handles is not the only feature of the nation's largest and most outstanding dog show. The International Kennel Club Show, April 4 and 5 at the International Amphitheatre in Chicago, will feature racing competition between Whippets and Afghan hounds, field trials with retrievers, spaniels, pointers and setters.

Added to these attractions of the two day bench show, named the "best of shows" for 1969, will be an extra added attraction of competition between sled dog teams racing over a quarter mile nylon course. These northern dogs will feature Malamutes, Samoyeds, Siberian and Alaskan Huskies and Alaskan and Eskimo Dogs. The highlight of this new competition, which expects over 60 entries, will be weight pulling contests. Huskies have been known to pull over 1,000 pounds over ten times their own weight.

Afghan and Whippet racing will be featured on both days of the show. The Whippets will go to the starting line at 2 p.m. and 7 p.m., Saturday, April 4, and 10 a.m. and 1:30 p.m.; Sunday, April 5. Afghans will race from the line at 3:30 p.m. and 8 p.m., Saturday and on Sunday at 2:30 p.m.

The field trials, over water and land courses set up on the second floor of the Amphitheatre's North Hall, will feature, on Saturday, April 4, children trials at 10 a.m., ladies at 2 p.m. and a qualifying exhibition at 7 p.m. Open classes for all ages of Retrievers and Spaniels will be Sunday, April 5, at 10 a.m. and Open pointers and setters will work out on Sunday at 2 p.m.

THE ANTIOCH NEWS—8

Vern Browne Wins Vote As 'Rookie'

Waukegan, Vern Browne of Waukegan, was voted the Waukegan Speedway "Rookie of the Year" in 1969. In 1970 Browne has hopes of winning the championship, and the \$1000.00 bonus that goes with it, in the late model super stock division.

Browne will be ready with a completely rebuilt 1969 Dodge Charger when the Waukegan Speedway starts their season on Saturday and Sunday nights, April 11 and 12. As Browne put it, "We have two big goals this year: first, to crack into the 'magic' 14 second qualifying bracket; and second, to finish as high as possible in the top five at Waukegan."

Chief mechanic Ralph Timan of Libertyville, Illinois, expects the 14 second qualifying lap to come early in the season. The car clocked a 15.12 lap late last year. For this year Timan will be extracting at least 100 more horsepower from the 'hem' engine. There will also be improved brakes and wider tires plus NAS-CAR suspension front and rear to handle the increased horsepower. Timan is not a newcomer to

Waukegan Speedway "Rookie of the Year" Vern Browne of Waukegan sets framework of the 1969 Dodge Charger he will race this season.

race car building, having built sportsman and modified stock cars since the early 1960's. He is presently a Project Engineer with the Hough Division of International Harvester.

With the 'hotter set-up' this year, it will be Browne's task to win races by outmaneuvering the opposition. Although just a rookie in stock cars last year, Vern does have an outstanding background in motorcycles. He started his racing career in 1963 riding in motorcycle TT races.

Browne was the 1968 AMA Central Regional and District Champion in the largest displacement classification. Dividing his time between cycles and cars in 1969, he finished third in his region, first in his district and a respectable fourteenth in the stiff stock

Racing Club Sets Dance Party Plans

The Third Annual Spring Dance of this Interstate Racing Association of super-modified and sportsman stock cars, will be held Saturday night April 4 at the Wonder Bar Ballroom in Twin Lakes, Wisconsin.

There will be a Rock-Music Combo furnishing music for dancing from 8:00 p.m. to midnight. Auto racing movies will be shown and some of the new type super-modifieds that will be racing on the IRA circuit of tracks will be on display. Tracks will include Wilmet, Lake Geneva, Waukegan, Rockford and possible dates at Santa Fe Park in Chicago.

Door prizes, refreshments and entertainment will highlight the evening, for the party goes. IRA 1969 Champions, Al Schill and Roger Otto will be there to talk racing with their many fans. Tickets are available from any IRA member or can be purchased at the door.
